

EFFORTSWILL ACADEMY EMERGES 2ND BEST @ LAGOS STATE CHAPTER OF TESTMASTER-NAPPS MATHS COMPETITION.

It all began with the invitation of NAPPS member schools in Lagos State and Abuja to an online Digital Maths class during the Year 2018 Long Vacation where SS 2 students, at each school level, were made to form a WhatsApp group including their Maths teacher and the principal and had to download and install the TESTMASTER apps to access the questions to be solved on daily basis and the solutions provided there-after. It was fun learning this way and a kind of self assessment.

Along the line, TestMaster, in conjunction with NAPPS, organised a one-day workshop for Maths teachers and principals of participating schools at Waslat College, Cole Street, Lagos the H/Q of NAPPS, Lagos Chapter and threw more light on the modus operandi of the Digital class as well as modalities for the proposed Maths competition.

The competition started with an online qualifying exam to prune down the number of schools. Effortswill Academy was represented by Godsgift Obileye, Ademola Sodipe and Temijuopelo Tijani scoring 67%, 60% and 50% respectively and were all among the 38 schools (Lagos & Abuja) that qualified for the final round (As attached)

#	Candidate Name	School	Candidate Score	Qualification Status	State
1.	Ifeanyi benson	Government Secondary School	56 / 60	Qualified	Abuja
